

Directions to Butchers Coppice

Address:
Butchers Coppice Activity Centre
Holloway Avenue
Bournemouth
Dorset
BH11 9JW

Notes:

Follow the M27 motorway to it's end – the road becomes the A31

Follow the A31 through the New Forest and Ringwood, following signs to 'Poole' (*DON'T* turn off at the A338, signposted 'Bournemouth')

Approximately 3 miles after the A338 exit (a short four-laned stretch of road) (after a series of small roundabouts) you will reach a large roundabout with a Lidl superstore to your left – take the first exit, straight on, onto the A348 (Ringwood Road) towards Ferndown (you will pass a Halfords and McDonalds restaurant on your left)

Proceed through Ferndown and on to Longham – you will pass over a fairly narrow bridge over a river – the next roundabout after the bridge is called the Bear Cross Roundabout – take the second exit, straight on, onto a dual carriageway.

Take the second exit off the dual carriageway, just before you would go under a footbridge in to Holloway Avenue (signposted 'Butchers Coppice') – you will find the campsite is virtually immediately on the right after this exit from the A348 (second entrance on the right as you turn in to Holloway Avenue)
